April 11, 2022

Dear Parents or Guardians,

Attached are the forms necessary for your child to participate in the annual Native Youth Camp, to be held June 26-29, 2022. There is no cost, but to participate, kids must have worked hard and exhibited good behavior during this school year. Please complete each of the forms and return them to your local NAS Case Manager, no later than Monday, May 16, 2022. Participant ages will range from 10 to 15 years old. Native youth that are interested in being a camp counselor and are 16-18 years old, can request an application to be considered. This year we will be staying at the Asilomar Conference Grounds and we strongly encourage you to turn your application in early to assure a spot on the trip. Since we have rented an allotted amount of rooms, this trip is limited.

If you turn an application in for your child and he/she is unable to attend, please let us know as soon as possible so we are able to invite another child.

This field trip will be a learning activity as well as a social activity. Your child is expected to participate in all planned activities. Your child can bring a small amount of spending money if they'd like. Please don't overdo it as some children may not have any.

We will be transporting children by bus and passenger vans. Pickup locations will be Mariposa MACT Medical (8:00am), Sonora MACT Medical (9:30am), MACT Administration (10:30am) and the old K-Mart parking lot in Jackson, next to Walmart (11:00am). Please arrive at the specified locations on time. We will all meet in Jackson to board the bus at 11:00am. Please do not be late. We will be returning to the same locations at approximately 5:00pm (Jackson), 5:30pm (Angels Camp), 6:30pm (Sonora) and 8:00pm (Mariposa) on June 29, 2022. You will be expected to pick your child up at one of those locations.

We will be staying at the Asilomar Conference Grounds (888) 635-5310. There is a full schedule planned, including a trip to the Santa Cruz Boardwalk, so your child will probably return home exhausted. This is a good thing. I'm sure they will have many wonderful stories to share with you. If you have questions, please feel free to contact your local NAS Case Manager.

Sincerely,

Justin Baugh, Board Chair

# Code of Conduct

When we travel or participate in activities outside of our area, we do so as a community, a family. With this in mind, we strive to conduct ourselves in a way that will bring honor to our family. The behavior of any individual reflects on the group as a whole. If we assume responsibility for each other, we will have a good experience and will be well thought of by those we meet.

The following “Code of Conduct” applies. Please read it carefully.

- ❖ I will be respectful at all times and honor Mother Earth and all life she created.
- ❖ I will be respectful to the adults who give their time so I may enjoy this activity.
- ❖ I will honor time schedules and do my best to be ready when activities are planned.
- ❖ I will approach each activity with respect and be on my best behavior.
- ❖ I will not use foul language or put downs.
- ❖ I will do my best to be a role model for our MACT health Board family and others.
- ❖ I will not use my electronics/phone except during designated times.

The above “Code of Conduct” will be in effect at all times. Poor behavior by one can ruin the experience for all. Anyone violating the Code of Conduct will receive verbal warning. If the behavior continues, the student will receive a second warning along with a lecture on proper behavior. If the behavior continues, the student’s parent will be called and he/she will be required to drive to our location and retrieve his/her child. No exceptions.

I have read the above information carefully and agree to all conditions.
